General Financial Information

- Tuition may be paid for the full year in advance or in 10 monthly payments starting in August and ending in May. All monthly tuition payments must be paid using the automated tuition payment system. Other payment terms or special arrangements are available on request.
- **Limited tuition assistance may be requested by filling out an application available from the school office.**
- The entire tuition may be paid prior to the beginning of classes in August, however, no discount is offered.
- Insufficient fund and/or late payments will incur a \$35 penalty fee.
- Students not attending the entire year will be invoiced for the number of days enrolled.
- Multiple student rates will be figured with the oldest student figured as the first student.
- After School Care will be invoiced the following month. Use of After School Care incurs an automatic, one-hour minimum charge of \$5.50; after the first hour, use is calculated in ½ hour increments.
